Compliments of Assistant Principals office

This Is The Year

*The door is open for you to walk down
the halls of memories of this, your 1960-61 school year.*

Foreword

We, the '61 Wildcat Staff worked almost a year to publish this year-book. Now it is yours.

This is the year! We have attempted in these pages not only to present a record of the 1960-1961 school year, but also to capture the spirit of Franklin-Simpson High School for the memories of you who read this book in the years to come.

The success of our yearbook has been made possible through the generous co-operation of students, faculty, and patrons.

We hope that you will enjoy the Wildcat as much as we have enjoyed publishing it.

The Wildcat Staff,

MR. CLAYTON HOOD

Years gently glide by—time swiftly passes—. Our school grows—under the capable leadership of our superintendent, Mr. Clayton Hood.

Mr. Hood is a leader whom we all love and admire for his faith in the students of the Franklin-Simpson School System. Many improvements have been made in the schools of Simpson-County since he came to us.

He received his A.B. Degree from Western Kentucky State College and his B.S. Degree from Duke University. He has spent many years in the field of education.

THIS YEAR WE ARE PROUD AND HAPPY TO DEDICATE THE 1961 WILD-CAT TO MR. HOOD.

SOCIAL SCIENCES

ROBERT S. BROWN

World history, American history, economics, sociology, American government courses offered by the SOCIAL SCIENCE DEPT., gives the students a knowledge of the development of the historical background of the world. International problems are stressed so the students may get a general understanding of people everywhere at home and across the sea.

*Physical Education
includes many activities*

MISS SARA JO CARDWELL

The activities of the PHYSICAL EDUCATION DEPARTMENT are chosen in regard to growth, development, and behavior. In teaching sports, the teachers stress cooperation and sportsmanship.

Class History

Our class reached Junior High with a mixture of both anticipation and foreboding. Most of us met for the first time that year, because all the county schools combine for Junior and Senior High.

After the final count there were two hundred and thirty-one eager youngsters who descended upon Mr. Crowdus and the Junior High School. Our school life went fairly smoothly with a few dropping out from time to time.

When we reached the ninth grade, we were not too sure how to act. After all, we were the upperclassmen or the "Seniors" of Junior High. It was this year that we "held court" at the old grade school building. So far some of us had missed both of the new schools by only one year.

Our officers this year were President, Buford Smith; Vice President, James Starks; Secretary, Ronnie Pitt; and Treasurer, Charles Pirtle.

Graduation from Junior High brought honors to four. Glenda McCreary won the Scholarship Award and Marvin Gutherie was runner-up. James Starks received the Citizenship Award and Buford Smith was runner-up.

Then one day in August of 1958, our class reached those "hallowed halls" otherwise known as Senior High. By this time our number had dwindled to one hundred and forty-four. That—our Sophomore year—was the first time a Spring Festival had been produced by our Alma Mater.

For our Sophomore officers we chose: President, Joe Richards; Vice President, Kenneth Moore; Secretary, Donna Caudill; Treasurer, Patsy Scott; and Reporter, Ann Ford.

With the beginning of our Junior year, time began to fly and events formed a sort of kaleidoscope. Our Junior Play, "The Egg And I," was a great success as was our Junior-Senior Banquet of which the theme was "Cinderella."

This year Gary Amos, a new boy, joined our class, but was with us a short time, since he completed his work Christmas of 1960.

Our Junior year we elected for our class officers: President, Ben Neely; Vice President, Kenneth Moore; Secretary, Donna Caudill; Treasurer, Linda Kinnaird; and Reporter, Ann Ford.

Now at long last, we have reached that supreme moment. With one hundred and twenty-seven in our class, WE ARE SENIORS!!

This year Bob Lowrie from Louisville and John Hayes from Detroit joined our class.

We were very proud to be the second class to have standardized class rings. They arrived in October.

We thought that our Senior Play, "The Little Dog Laughed" was a big success as we made over one thousand dollars on it.

Our officers this year are: President, Ben Neely; Vice President, Joe Hall; Secretary, Donna Caudill; Treasurer, James Starks; and Reporter, Ann Ford.

Our class nominee, Donna Caudill, was chosen as Football Queen.

Now we are looking forward to our last Spring Festival and our Senior Trip.

Then all too soon we, as Seniors, will be walking down those halls for the last time. Our high school days will end with the graduation in May, but we will look to the future for what life has in store for each of us.

Farewell

As we pass slowly from these doors that have seen so many come and go, all too quickly we realize that doors of this our memorable year are quietly closing behind us, and we go forth eagerly to open the doors to the future and whatever it may bring.

For when one door is shut — another opens.
